

WARNING – WARNING – WARNING

PLEASE READ BELOW COMMENTS BEFORE USING THE PRODUCT WEIGHT LIMIT FOR THIS CHAIR IS 250 LBS

CONSUMERS:

- Please make certain that all the screws are fully tightened and all parts are properly installed before using the product.
- DO NOT use this product as a wheelchair or ladder, nor use it as a racing or spinning vehicle, or for any other purpose than its intended use as an office chair.
- DO NOT stand up on the seat.
- DO NOT climb on the seat, backrest or arms.
- DO NOT sit on the edge of the seat as this may cause instability and you may fall off the chair.
- DO NOT allow babies or young children to sit on the chair without proper adult supervision, nor leave them unattended while they are sitting on the chair.
- DO NOT allow children to play with the chair.
- If you intend to use the chair on soft flooring (such as linoleum) or wooden floor, we recommend to use a chair mat under it, as the casters may damage the floor.
- Use the chair in a safe and secure indoor environment and avoid exposure to direct sunlight.
- DO NOT use the chair on wet, uneven or slippery floors, or near steps, stairs, escalators or balconies.
- DO NOT coast, slide, glide, skid or roll away while sitting on the chair.
- DO NOT put your fingers inside the mechanism or the moving part of the gas lift.

VENDORS:

- Please make certain that all the screws are fully tightened and all parts are properly installed before putting the unit on display.
- Neither the manufacturer nor the distributor assume liability for property damages, damage to the display model, or personal injuries caused by or to unassisted customers.
